District Safe and Accepting Schools Plan 2019-21

Hearts of Fire (Luke 24:32)... Journey, Encounter, Transform

Priority Area	Goals	Key Activities	Indicators of progress
Promoting Gospel Values	Our Catholic Learning Communities will demonstrate our Gospel values which will	Annually review BHNCDSB District Code of Conduct with principals, teaching staff and support staff.	Staff, parents and students will be knowledgeable about the District and School Code of Conduct and respect/follow the expectations set out.
	include love, reconciliation, hospitality, justice, peace, honesty and integrity.	Policies and procedures related to student behaviour, discipline and safety will be reviewed with staff and students.	School Codes of Conduct will be communicated to all members of the school community (e.g., School Website, Newsletter).
	2. Parents, students, staff and appropriate community partners will work together to ensure that BHNCDSB schools are safe places to learn and grow.	Safe and Accepting Schools, Mental Health/Well-Being and Compassionate Care Response Team(s) will be formed at the school level, and may include, but is not limited to administration, teachers, staff, students, parents and community partners.	Student Behaviour, Discipline and Safety Policy 200.09 and Notification of Risk of Injury and Student Safety Plan 200.13 Administrative Procedure will be revised as required and consistently implemented across the district (consistent use of documenting procedures shared with all teaching/support staff e.g., Safe School Incident Reporting Forms, Safety Plan development).
			Established Safe and Accepting School, Mental Health/Well-Being and Compassionate Care Response Teams will assist with the development, implementation and monitoring of Safe Schools Plans.
			Safe and Accepting Schools Plans submitted to Family of Schools Superintendent by the end of September of each school year.

	3. To promote & provide resources/materials necessary to be sure ALL students feel accepted and part of the school community.	Provide a list of suggested resources/activities to schools that help to promote safe and caring classrooms and that align with the Board's Religion Curriculum, Renewing the Promise: Pastoral Letter, and our current Board Theme. Continue to provide and utilize resources for reference in classrooms to promote safe, inclusive and caring learning environments (i.e., Indigenous Education resources, Supporting Minds document, relevant educational book club (e.g., Lost at School), Spec-Ed resources for schools such as sensory bins, reading materials, along with support as required from the Board Itinerant Self-Reg SERT).	A list of suggested resources/activities will be created, provided and utilized in all schools over the duration of the 2019-21 school years. Appropriate resources and communication materials are utilized in schools and will be accessible on the Board website when possible.
Promoting Mental Health and Wellness	Continue the practice of Christian Meditation while also introducing new prayer experiences.	Continue the practice of Christian Meditation with all students while also introducing new prayer experiences (e.g. Lectio and Visio Divina).	There is visible evidence that school communities (and classrooms) are participating on a regular basis in Christian Meditation and other prayer experiences.
	2. Ensure access to mental health prevention and promotion programs are available in schools & to students.	'Mind UP' Curriculum, JACK Project and Jack Chapters (High Schools). 'Mindfulness Without Borders' pilot project in Secondary English Classrooms. Continue the partnership with John Howard Society to support the use of RESTORATIVE PRACTICES within our schools, while also building educator capacity in the use of daily/weekly restorative practices.	Measurement tools where applicable (e.g., teacher, parent observations & tools provided with selected programs) should indicate students feel better equipped to identify and support their own mental health needs and access help if needed. Decision Support Tool to be utilized when considering resources from outside the board. Use of Restorative Practices will be utilized in a more consistent manner within classrooms by teachers on a daily and/or weekly basis.
Capacity Building	Ensure that potentially high-risk behaviour of students is properly assessed and supported.	Provide ongoing training for all principals and other relevant staff in the area of Violent Threat Risk Assessment Protocol and other pertinent training (e.g., Trauma Response Education training, NVCI, SAFE TALK and ASIST Training) on an as needed basis or by request.	Students who are having suicidal ideation and self-harm will be connected to help. Administrators and other trained staff will state an increased comfort and ability to support students/schools in times of crisis.
